# Buy a Brick Program

Permanently honor or memorialize a friend or family member with an engraved brick in Children's Park. By doing so, you will also help support YOUR local Main Street program and the historic preservation, economic development and community activities we promote.

Orders will be taken up until **March 1st** and onsite engraving will take place after spring thaw. All purchasers will be notified of engraving date once scheduled, and you will also receive an official certificate for gift giving.

Multiple orders may be able to be grouped together; call our office to discuss!
